# The Inquisitive Raven

RICHARD WAGAMESE, ILLUSTRATED BY BRIDGET GEORGE

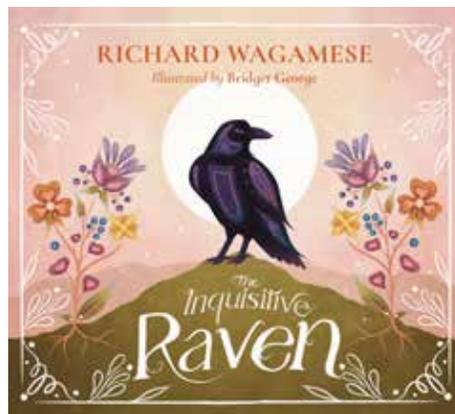

Share in a raven's sense of wonder as this gorgeous picture book brings Richard Wagamese's wisdom to young audiences.

"REUBEN WAS AN INQUISITIVE raven. Of course, all ravens are inquisitive, but Reuben was a notch above even the most curious bird." So begins a story by beloved author Richard Wagamese, about a raven that has the whole forest talking. Some think he is nosy, but really, he is in a state of utter amazement at the world. He suggests new designs for the beavers' dams, imitates the blue herons' one-legged stance as they spear minnows, and squawks in glee at the sight of the bears emerging from hibernation. When he sees an eagle soaring high in the sky, he tries to soar just as high, in order to earn the other animals' respect—only to learn that respect is not something one earns, but something one carries.

This book is yet another example from Richard Wagamese about the power of storytelling. Beautifully illustrated with original work from Anishinaabe artist Bridget George, *The Inquisitive Raven* is sure to be cherished by readers of all ages.

**RICHARD WAGAMESE**, an Ojibway from the Wabaseemoong First Nation, was one of Canada's foremost writers. His bestselling novels include *Indian Horse*, which earned an array of awards and was made into a feature film. He was also the author of highly praised memoirs and personal reflections, such as *Embers* and *One Story, One Song*, winner of the George Ryga Award for Social Awareness in Literature. Wagamese's work was recognized with a National Aboriginal Achievement Award and the Writers' Trust of Canada's Matt Cohen Award. He died in 2017 in Kamloops, BC.

**BRIDGET GEORGE** is an Anishinaabe author-illustrator and graphic designer. She was raised on the Kettle and Stony Point First Nation and now lives in London, ON. George is the author of the 2020 book *It's a Mitig!*, an acclaimed introduction to the Ojibway language for young readers. Her previous picture book collaboration with Richard Wagamese, *The Animal People Choose a Leader*, was a Top 20 BC Bestseller of 2024.

# Leading from the Heart

*The Battles of a Feminist, Union Leader and Politician*

.....  
JUDY DARCY

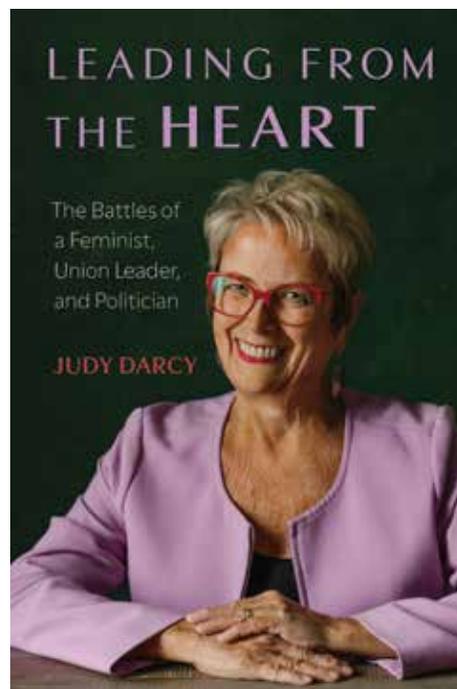

*In this rich and inspiring memoir, Judy Darcy recounts the remarkable turns that brought her from library worker to president of Canada's largest labour union, and from there to groundbreaking legislator focused on many of our most pressing issues, including health care, the rights of immigrant workers and the toxic-drug crisis.*

AS THIS RICH MEMOIR shows, the life of activist, union leader and legislator Judy Darcy mirrors many of the great social and political currents of the modern era. Opening in the charged atmosphere of the feminist movement in the late 1960s, when the twenty-year-old Darcy—swept up by the promise of historic, liberating change—infiltrates a beauty pageant and later disrupts Parliament over reproductive rights, the story then reaches back to her earliest years as the daughter of immigrants deeply scarred by World War II.

In this tale of personal trauma and desire for justice, Darcy recounts the remarkable turns that brought her from library clerical worker to leading public figure. Her rise through the ranks of the country's largest union—the Canadian Union of Public Employees, with several hundred thousand members—culminates in her 1991 election as national president, a traditionally male-dominated role. Years later, after moving from Ontario to British Columbia, she is elected to public office, becoming an NDP MLA. Here, as the only North American minister of mental health and addictions, she confronted the ravages of the toxic-drug crisis, working to help some of society's most vulnerable.

Throughout the tumultuous events of her career and personal life, Darcy is forever working for those on the margins, fighting to protect workers' rights, water rights, health care, childcare and reproductive choice, and helping secure a landmark Supreme Court decision in favour of same-sex partner pensions. Powered by intense conviction and intimately personal experience, her candid story offers a vision of a new kind of leadership, steeped in compassion and able to negotiate the most urgent and complex challenges of our fractured era.

**JUDY DARCY** was born in Denmark and immigrated to Canada as a young child. She was national president of the Canadian Union of Public Employees for twelve years and led the Hospital Employees' Union after moving to BC in 2003. She served as MLA for New Westminster from 2013 to 2020 and as North America's first minister of mental health and addictions, and since then has been a public speaker, media commentator and board member of the Canadian Mental Health Association. She lives in New Westminster, BC.

# Sisters of the Jungle

*The Trailblazing Women Who Shaped the Study of Wild Primates*

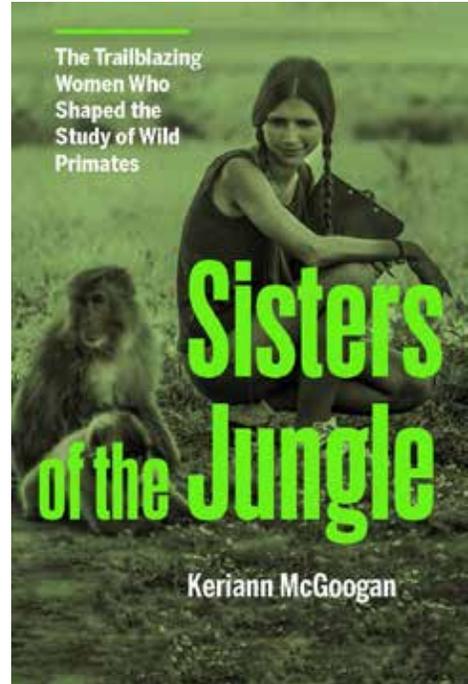

.....  
KERIANN MCGOOGAN

*A scientist's memoir that delves into the history of primate field studies and the women who shaped the discipline of primatology, including Jane Goodall, Dian Fossey, Biruté Galdikas and Alison Jolly.*

SINCE THE 1970S, THE science of primatology has been dominated by women—a unique reversal, with men usually outnumbering women in other science, technology, engineering and math fields.

*Sisters of the Jungle* shines a light on a scientific discipline in which women take the lead while transporting readers to the far corners of the earth to understand our closest living relatives. Keriann McGoogan's journey as a primatologist has taken her to Belize and Madagascar studying wild primates, including howler monkeys (the loudest living primate) and lemurs (the most endangered group of animals on the planet). Against this backdrop, she explores the stories of the many women who came before her. Intrepid scientists like Jane Goodall, Dian Fossey, Biruté Galdikas and Alison Jolly broke boundaries, made astonishing discoveries and ultimately shaped the trajectory of an entire branch of science.

**KERIANN MCGOOGAN** has a PhD in Biological Anthropology from the University of Toronto. She spent months living in Belize, kayaking rivers in search of black howler monkeys and coping with the hardships of field science, including rainy-season floods, wasp stings and two bouts of malaria. Her memoir and first book, *Chasing Lemurs: My Journey into the Heart of Madagascar* (Prometheus, 2021), chronicled her nineteen months studying groups of endangered lemurs in an isolated forest region. McGoogan lives in Guelph, ON.

# Curling Rocks!

*Chronicles of the Roaring Game*

.....  
JOHN CULLEN

*Drawing on author John Cullen's years of experience as both a stand-up comic and an elite curler, Curling Rocks! offers a lighthearted, expertly detailed look at a unique sport and its history, from the most absurd curling fashions to the most sublime matches ever played.*

THE SPORT OF CURLING continues to expand its global reach, attracting new players and fans far beyond traditional strongholds. Yet, even in Canada—a country with a long curling history and fifteen hundred clubs of its own—the game is often dismissed as an eccentric pastime.

According to author John Cullen, this is because curling is both inherently funny and chronically underestimated as a battle of skill and strategy. And Cullen is perfectly qualified to make this double-edged claim: not only is he a stand-up comic with many years of experience at the mic, but he's had years on the ice as an elite curler.

Because most previous books on curling have been either how-to guides or standard biographies of prominent players, there has long been space for a reader-friendly overview of the “roaring game” (a nickname inspired by the sound of the forty-pound stone en route to its target). *Curling Rocks!* sets out to fill this gap with a lighthearted, expertly detailed account of the sport, ranging from the absurd to the sublime. Next to his observations on ill-fitting fashions and odd scandals—among them “Broomgate,” when controversial new sweeping technology almost took out the curling world—Cullen offers insights on everything from the greatest matches ever played to the peculiar heartbreak that comes with losing.

In these inviting, irreverent and often deeply personal essays, Cullen finally gives the perplexing, beloved game its due.

**JOHN CULLEN** has been a medal-winning semi-professional curler for more than twenty years. He has also worked as a teacher, writer, comedian and curling analyst, earning acclaim from such outlets as *Vulture*, *Forbes*, *The Economist* and *Esquire* for hosting the highly popular podcast *Broomgate: A Curling Scandal*. He has made televised appearances as a stand-up comedian and is a returning guest on CBC Radio's *The Debaters*. Cullen lives in Calgary, AB.

# Anarchists in Love

A Novel

.....  
ROBERT HOUGH

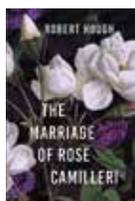

*In this compelling novel, acclaimed author Robert Hough recreates the political violence and revolutionary idealism that flowed through New York City during the Gilded Age of the 1890s. At its centre are real-life revolutionists Emma Goldman and Alexander “Sasha” Berkman, whose passionate love affair fuels their commitment to creating a better world.*

FOLLOWING THEIR CHANCE MEETING at a New York café in 1890—Emma is fleeing a loveless marriage, while Sasha is becoming convinced that only a new system of thought called anarchism will liberate working people from poverty—two poor, young immigrants join New York’s political underground to overthrow all forms of government. Swept up by her new egalitarian beliefs, Emma gains a reputation as a rousing public speaker, extolling the radical virtues of workers’ rights, free love and women’s liberation. At the same time, Sasha’s own ambitions become mired in jealousy and inhibition. But when shocking news arrives that industrialist Henry C. Frick has ordered the fatal shootings of striking steel-plant workers in Pennsylvania, Sasha and Emma plot a violent act that, they hope, will ignite a worldwide anarchist revolution.

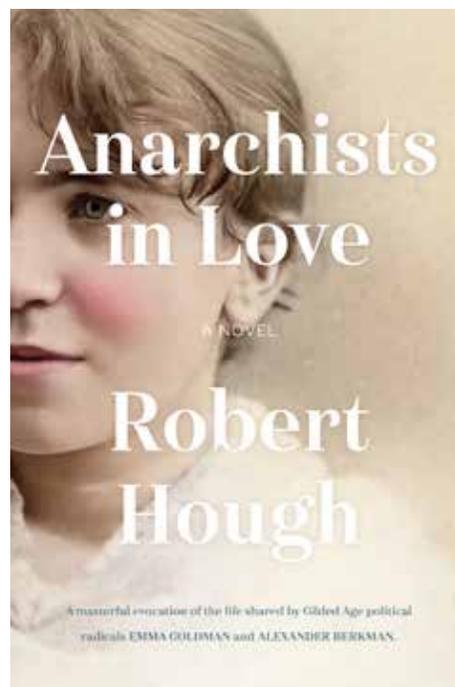

As the first work of fiction to recount this captivating story, *Anarchists in Love* casts light not only on a politically charged chapter of history, but also on forces of desperation and insurgency that are still in effect today.

**ROBERT HOUGH** has been published to rave reviews around the world. He is the author of *The Final Confession of Mabel Stark* (Vintage Canada, 2002), shortlisted for both the Commonwealth Writers’ Prize for best first book and the Trillium Book Award; *The Stowaway* (Vintage Canada, 2004), one of the *Boston Globe’s* top ten fiction titles of 2004; *The Culprits* (Vintage Canada, 2008); *Dr. Brinkley’s Tower* (House of Anansi, 2012), shortlisted for the Governor General’s Award for fiction and longlisted for the Giller Prize; *The Man Who Saved Henry Morgan* (House of Anansi, 2015), a finalist for the Trillium Book Award; *Diego’s Crossing* (Annick Press, 2015), shortlisted for the Arthur Ellis Award; and his recent novel, *The Marriage of Rose Camilleri* (2021). Hough lives in Toronto, ON.

# Rufous and Calliope

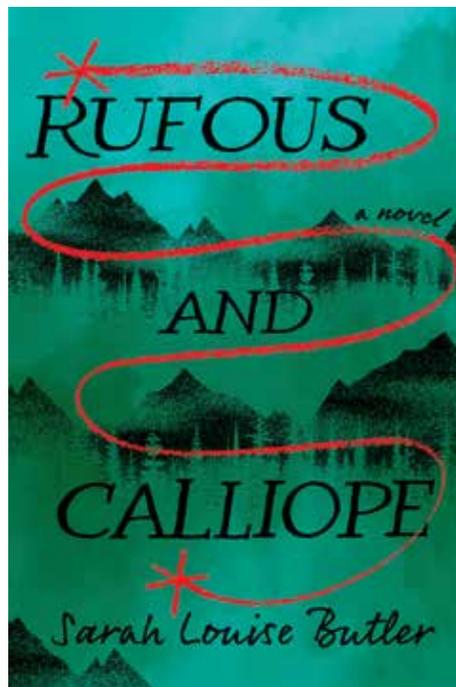

A Novel

.....  
SARAH LOUISE BUTLER

*In this stunning tale of love and loss, a middle-aged cartographer, suffering from memory loss and claustrophobia, hikes through the interior of British Columbia in search of a treehouse where he spent one memorable summer on the run with his four siblings.*

IN *RUFOUS AND CALLIOPE*, Sarah Louise Butler takes readers deep into the rugged British Columbia Interior, where the mysteries of nature collide with the fragile threads of memory. Rufous Flanagan, a modern-day cartographer, embarks on a solo trek through an ancient mountain pass in search of the treehouse hideaway where he spent one memorable childhood summer on the run with his three older half-siblings and his twin sister, Calliope. With every step, the vast, untamed wilderness presents both a physical and emotional challenge, as Rufous must confront not only treacherous terrain, but the unravelling of his own mind. His memories—sometimes vivid, sometimes slipping away—become a map guiding him through towering forests, dry creek beds and smoke-filled skies. Yet, in this wilderness, not everything is as it seems. Echoes of the past lead Rufous on a journey that blurs the line between dream and reality. As the elements close in, this novel offers an unforgettable tale of survival, memory and the bond between siblings.

**SARAH LOUISE BUTLER** has a degree in Physical Geography and volunteer experience in wildlife research. She was named a CBC Writer to Watch in 2020. Her debut novel, *The Wild Heavens*, is an atmospheric, contemplative journey about a single mother following a mysterious set of tracks through a winter storm in the Canadian wilderness. She lives in Nelson, BC.

# The Microbiome Master Key

*Unlock Whole-Body Health and Lifelong Vitality by Harnessing the Microbes Living In, On, and All Around You*

.....  
B. BRETT FINLAY AND JESSICA M. FINLAY

*The key to promoting longer, healthier lives lies within the teeming world of microbes inside and all around us.*

HAND SANITIZER. SOCIAL DISTANCING. Antibiotics. Even before the COVID pandemic, fending off germs has long been considered one of the cornerstones of good health. But what if better health actually went hand-in-hand with embracing the invisible microbes living on, in, and all around us?

Our bodies are teeming with microbes. They impact everything from sleep, cognition, mood, heart health, and energy to likelihood of developing dementia, diabetes and some cancers. As groundbreaking new studies are showing, taking care of the microbiome—inside and out—can help improve day-to-day health and even help prevent or reverse some of the most common age-related diseases.

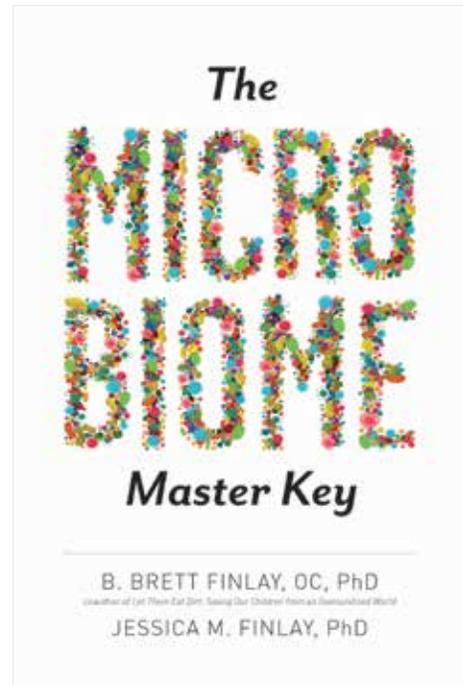

Among scores of insights and highly practical tips, discover:

- How diet, hygiene, exercise habits, stress, environment, and even social life all influence the microbiome and, in turn, your health.
- How microbe-friendly diets have been clinically shown to delay the onset of Parkinson’s disease and lower the risk of developing dementia.
- Why women should be especially wary of being over-prescribed antibiotics.
- How to pick a good probiotic—and why many of the brands you see influencers promoting on social media simply don’t work.
- How COVID underscored the need for healthy exposure to microbes, what that means in reality, and how to re-embrace microbes in the wake of the pandemic.

In this eye-opening and evidence-based book, father-daughter team Dr. Brett Finlay (a microbiologist) and Dr. Jessica Finlay (a specialist in aging) break down what the latest research says about how the microbiome affects not just gut health, but all aspects of physical and mental well-being—and what readers can do about it.

**B. BRETT FINLAY**, PhD, is a professor in the Michael Smith Laboratories at the University of British Columbia. He has been at the forefront of the emerging field of cellular microbiology and is well recognized internationally for his work, having won prestigious awards including the Queen Elizabeth II Diamond Jubilee Medal and Order of Canada. He is a senior fellow and the program director at Canadian Institute for Advanced Research (CIFAR). He co-wrote *Let Them Eat Dirt: Saving Our Children from an Oversanitized World* (Greystone Books, 2016) and lives in Vancouver, BC.

**JESSICA M. FINLAY**, PhD, specializes in health geography and environmental gerontology as an Assistant Professor at the University of Colorado. She has won national and international awards for her innovative research with older adults, and authored publications in leading health, geography and gerontology journals. She lives in Boulder, CO.

# Fallosophy (Enlarged Print Edition)

*My Trip through Life with MS*

.....  
 ARDRA SHEPHARD

*A memoir based on columnist, fashion-show tv host, podcaster and ms advocate Ardra Shephard's award-winning blog, Tripping on Air.*

TWENTY-THREE-YEAR-OLD ARDRA SHEPHARD IS sleeping with the wrong guy, living in a crappy apartment, and spending money she doesn't have on designer shoes, boozy brunches and weekends in NYC. She hates her office job, but it pays for the lessons she needs to make it as an opera singer. She isn't thrilled about her current situation, but she isn't panicked. She knows she's got time! Making mistakes while you figure stuff out is what your twenties are all about. But then when a doctor tells Ardra she has MS, those two letters split her life into a Before and After.

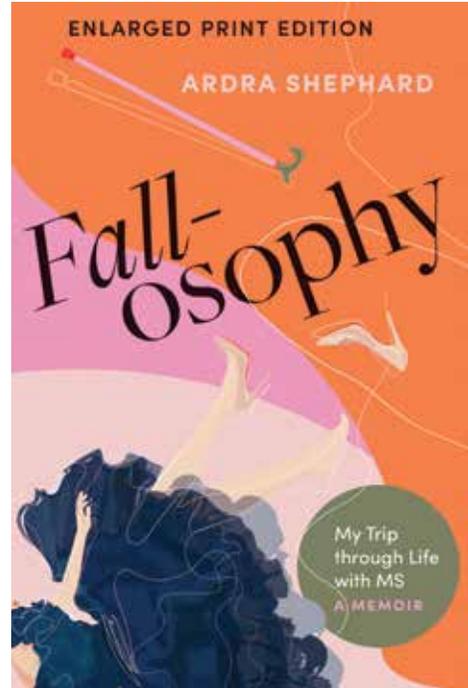

While over a million people in Canada and the United States live with Multiple Sclerosis, there is no certainty when it comes to the progression of the disease. By her mid-thirties, Ardra is struggling to walk, and it's terrifying. When she starts using mobility aids, she faces feelings of otherness and not belonging like never before. As Ardra's deepest fears keep coming true, she starts to learn the most important lesson: She's been sold a lie about disability—it isn't a fate worse than death. Having so far survived all of her worst-case scenarios, she begins to realize that a difficult life doesn't have to be a joyless life.

Today, twenty years after her diagnosis, Ardra's journey isn't over. MS will always be a force to be reckoned with, but the woman Ardra is, day after day, is no longer negotiable.

Now available in enlarged print, *Fallosophy* serves up wisdom like a seasoned bartender who's seen it all, and doesn't try to sugarcoat what it's really like to live with a progressive, disabling illness in a world that would rather not build a ramp.

This enlarged print edition is typeset in 16 point Freight Text Pro Book font.

**ARDRA SHEPHARD** is a writer, consultant, podcaster and speaker whose award-winning blog, *Tripping On Air*, has an international reach and reputation. She is the creator and host of AMI-tv's lifestyle series *Fashion Dis*. Her personal essays and non-fiction work have appeared in *FASHION*, *InStyle*, *Best Health*, *Bezzys* and other magazines and online publications. *Yahoo Lifestyle* reported that “@ms\_trippingonair is the number-one chronic illness account to follow on Instagram.” Ardra lives in Toronto, ON.

# Richard Wagamese Selected

*What Comes from Spirit*

RICHARD WAGAMESE, EDITED BY DREW HAYDEN TAYLOR, WITH AN INTRODUCTION BY DREW HAYDEN TAYLOR

A curated collection of Richard Wagamese's short writings.

"Treasure these words. Honour his thoughts. But don't read it too fast. Soak it in. Enjoy every morsel. Linger on each page because every paragraph has nuggets of understanding. Lines of wisdom. Stories to appreciate."

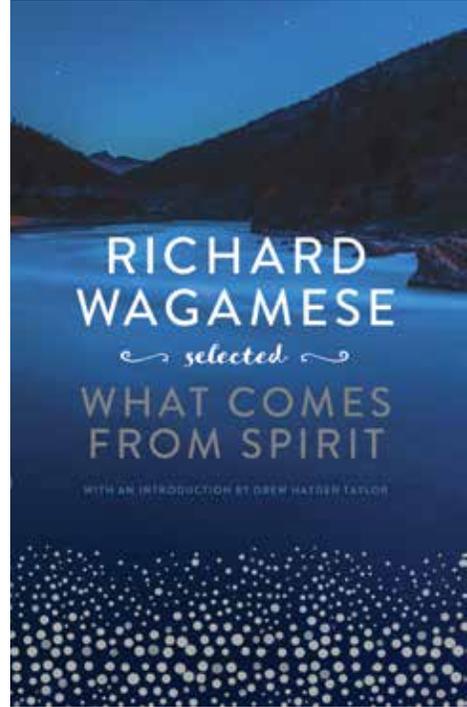

— DREW HAYDEN TAYLOR, from the introduction.

RICHARD WAGAMESE, ONE OF Canada's most celebrated Indigenous authors and storytellers, was a writer of breathtaking honesty and inspiration. Always striving to be a better, stronger person, Wagamese shared his journey through writing, encouraging others to do the same.

This curated collection of Wagamese's non-fiction works, with an introduction by editor Drew Hayden Taylor, brings together more of the prolific author's short writings, many for the first time in print, and celebrates his ability to inspire. Drawing from Wagamese's essays and columns, along with preserved social media and blog posts, this beautifully designed volume is a tribute to Wagamese's literary legacy.

**RICHARD WAGAMESE**, an Ojibway from the Wabaseemoong First Nation, was one of Canada's foremost writers. His bestselling novels include *Indian Horse*, which earned an array of awards and was made into a feature film. ## Restaurant Kid

*A Memoir of Family and Belonging*

RACHEL PHAN

WHEN SHE WAS three years old, Rachel Phan met her replacement. Instead of a new sibling, her mother and father's time and attention were suddenly devoted entirely to their new family restaurant. For her parents—whose own families fled China during Japanese occupation and then survived bombs and starvation during the war in Vietnam—it was a dream come true. For Phan, it was something quite different. Overnight, she became a restaurant kid, living on the periphery of her own family and trying her best to stay out of the way.

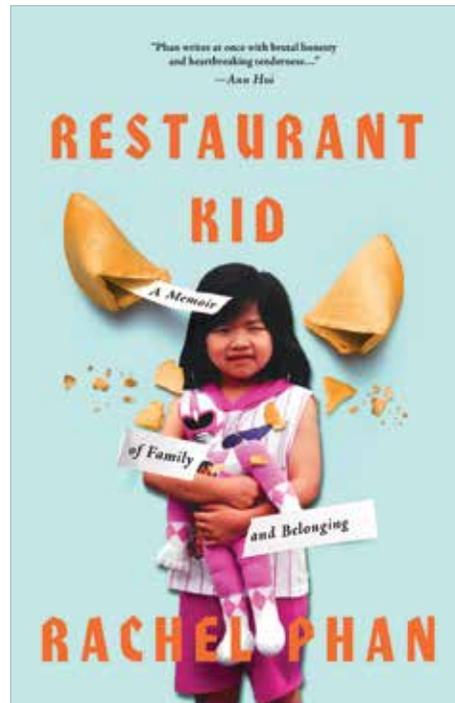

As Phan grew up, the restaurant was the most stalwart and suffocating member of her family. For decades, it's been both their crowning achievement and the origin of so much of their pain and suffering: screaming matches complete with smashed dishes; bodies worn down by long hours and repetitive strain; and tenuous relationships where the family loved one another deeply without ever really knowing each other.

In *Restaurant Kid*, Phan seeks to examine the way her life has been shaped by the rigid boxes placed around her. She had to be a “good daughter,” never asking questions, always being grateful. She had to be a “real Canadian,” watching hockey and speaking English so flawlessly that her tongue has since forgotten how to contort around Cantonese tones. As the only Chinese girl at school, she had to alternate between being the sidekick, geek, or Asian fetish, depending on whose gaze was on her.

Now, three decades after their restaurant first opened, Phan's parents are cautiously talking about retirement. As an adult, Phan's “good daughter” role demands something new of her—and a chance to get to know her parents away from the restaurant.

In *Restaurant Kid*, Phan deftly combines candour, wit and insight to craft a vibrant and important narrative on the strength and foibles of family, and how we come to understand ourselves.

## Victory Gardens for Bees

*A DIY Guide to Saving the Bees, Revised Edition*

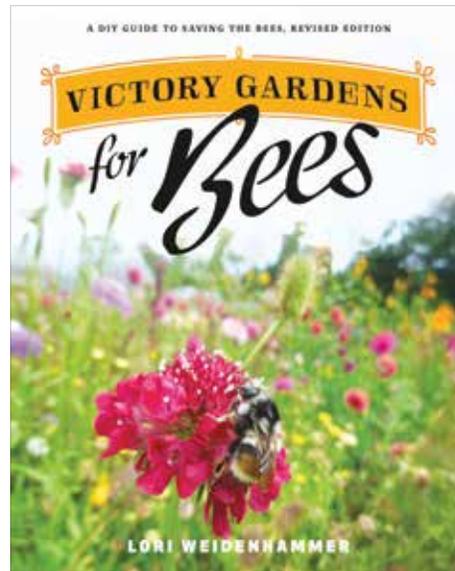

LORI WEIDENHAMMER

ALTHOUGH BEE POPULATIONS continue to be threatened by environmental stresses, new sources of hope have appeared in the years since *Victory Gardens for Bees* was first published. As author Lori Weidenhammer makes clear in her expanded introduction, as well as in fully updated planting charts and descriptions of community projects and online resources, there are more ways than ever to participate in building the much-needed community networks that turn gardens, fields and landscapes into healthy environments for bees. Just as citizens banded together to plant Victory Gardens to offset the perilous food shortages of World War II, collective effort can turn our gardens and communal spaces into lifesaving shelters for these essential creatures.

Through detailed garden plans and planting guides, Weidenhammer shows how bee-friendly plants are easily grown by novices and seasoned gardeners alike, and how they can be used in creative combinations for plots and pots of all sizes.

*Victory Gardens for Bees* is also buzzing with DIY projects that will provide nesting sites and essential supplies for precious pollinators. With plenty of photographs to help readers identify bees of all stripes, beekeeping tips and other interesting bee-phemera, this book is a must-have for anyone who wants to do their part to save the bees.

## Searching for Franklin

*New Answers to the Great Arctic Mystery*

KEN MCGOOGAN

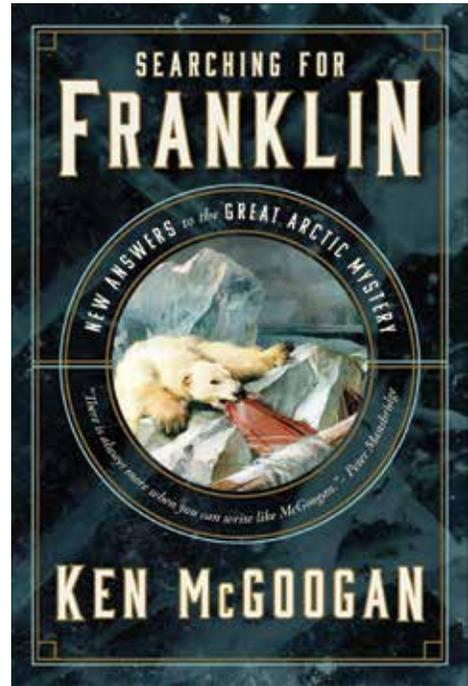

TWO OF ARCTIC explorer Sir John Franklin's expeditions were monumental failures—the last one leading to more than a hundred deaths, including his own. Yet many still see the Royal Navy man as a heroic figure who sacrificed himself to discover the Northwest Passage.

This book, McGoogan's sixth about Arctic exploration, challenges that vision. It rejects old orthodoxies, incorporates the latest discoveries, and interweaves two main narratives. The first treats the Royal Navy's Arctic Overland Expedition of 1819, a harbinger-misadventure during which Franklin rejected the advice of Dene and Métis leaders and lost eleven of his twenty-one men to exhaustion, starvation and murder. The second discovers a startling new answer to that greatest of Arctic mysteries: what was the root cause of the catastrophe that engulfed Franklin's last expedition?

The well-preserved wrecks of *Erebus* and *Terror*—located in 2014 and 2016—promise to yield more clues about what cost the lives of the expedition members, some of whom were reduced to cannibalism. Contemporary researchers, rejecting theories of lead poisoning and botulism, continue to seek conclusive evidence both underwater and on land.

Drawing on his own research and Inuit oral accounts, McGoogan teases out many intriguing aspects of Franklin's expeditions, including the explorer's lethal hubris in ignoring the expert advice of the Dene leader Akaitcho. Franklin disappeared into the Arctic in 1845, yet people remain fascinated with his final doomed voyage: what happened? McGoogan will captivate readers with his first-hand account of travelling to relevant locations, visiting the graves of dead sailors and experiencing the Arctic—one of the most dramatic and challenging landscapes on the planet.

## Beast

*A Novel*

RICHARD VAN CAMP

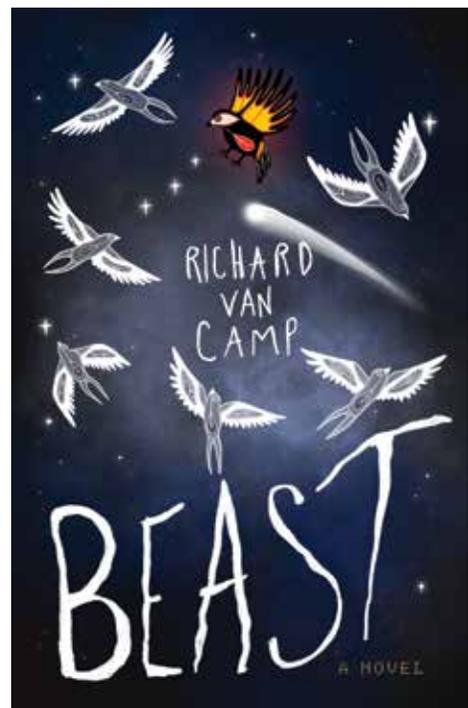

FOR AS LONG as Lawson can remember, his life in a small Northwest Territories town has revolved around “the Treaty” between the Dogrib and the Chipewyan, set down centuries ago to prevent the return of bloody warfare between the two peoples.

On the Dogrib side, Lawson and his family have done their best to keep the pact alive with the neighbouring Cranes, a family with ancestral ties to a revered Chipewyan war chief. But even as Lawson and his father dutifully tidy the Cranes' property as an act of respect, their counterparts offer little more than scowls and derision in return, despite the fact that both families are responsible for protecting the treaty.

Worse still, it seems that one of the Cranes' boys is doing all he can to revive the old conflict: Silver, fresh out of jail, has placed himself in the service of a cruel, ghoulish spirit bent on destroying the peace. Now it's up to Isaiah Valentine, a Cree Grass Dancer, Shari Burns, a Metis psychic, and Lawson Sauron, a Dogrib Yabati—or protector—to face what Silver Cranes has called back.

This latest feat of storytelling magic by celebrated author Richard Van Camp blends sharply observed realism and hair-raising horror as it plays out against a 1980s-era backdrop replete with Platinum Blonde songs and episodes of *Degrassi Junior High*. Unfolding in the fictional town of Fort Simmer—the setting of previous Van Camp stories—*Beast* delivers a gripping, spirited tale that pits the powers of tradition against the pull of a vengeful past.

## Shadows of Tyranny

*Defending Democracy in an Age of Dictatorship*

KEN MCGOOGAN

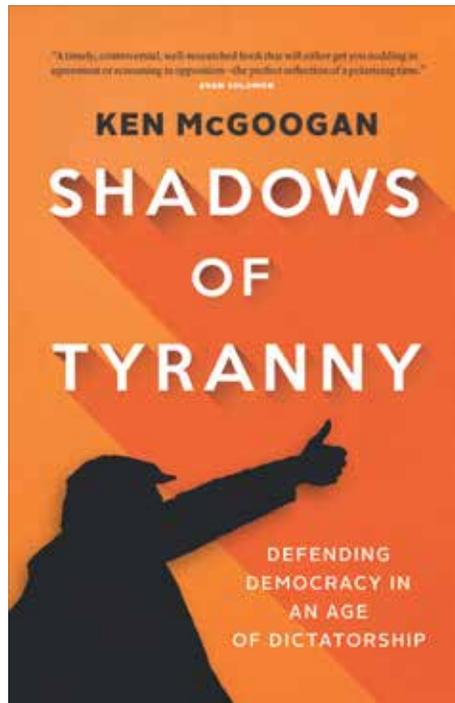

TWENTIETH-CENTURY NOVELS SUCH as George Orwell's *1984* and Margaret Atwood's *The Handmaid's Tale* produced visions of future dystopia that rang with echoes of past tyrannies. Always implied was a warning that history's worst chapters are never truly closed, and that we must not fail—as many of our forebears did—to recognize that the threat of totalitarianism cannot simply be wished away.

*Shadows of Tyranny*, an alarming and engrossing work of non-fiction from acclaimed Canadian author Ken McGoogan, draws on this sense of looping history to show how figures like Donald Trump replay many aspects of the authoritarianism that spread in the middle of the last century. Calling not only on Orwell and Atwood, but also on H.G. Wells, Yevgeny Zamyatin, Jack London and Hannah Arendt, McGoogan traces the ways democracy succumbed to paranoia, polarization, scapegoating and demagoguery less than a hundred years ago. These same forces, he argues, are now driving a far-right movement in the United States that seems devoted to using Trump's warped charisma as a "wrecking ball" to clear the way for autocracy closely resembling the dictatorships that stoked the Second World War.

With this prospect, McGoogan's central questions become all the more pressing: How should Canadians respond, officially and individually, to the possibility of democratic collapse in our powerful neighbour to the south? Is talk of manifest destiny from right-wing American firebrands like Tucker Carlson just chatter for the sake of notoriety? Or is it a hint of the expansionist urges that always lie at the heart of authoritarianism, and that may one day point the American military machine in our direction on the pretext of "liberating" us?

In the cautionary spirit of earlier visionary works, *Shadows of Tyranny* offers a galvanizing image of a dark possible future, as well as an urgent call to act in the belief that we still have the time and ability to ward it off.

## Just Say Yes

*A Memoir*

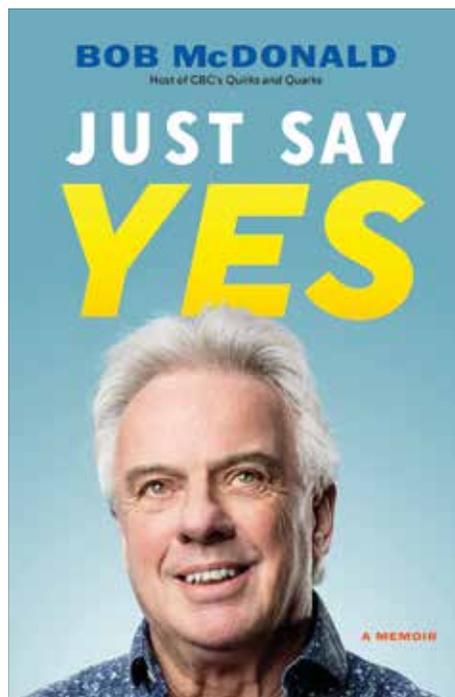

BOB McDONALD

REVERED SCIENCE REPORTER and radio host Bob McDonald has devoted his career to turning our attention away from everyday perspectives and outward to the vast, intricate wonders of our planet and universe. Now, in this revealing and captivating memoir, he looks within, offering an intimate view of the path that brought him from a blue-collar background to his long-standing role as Canada's foremost explainer of all things scientific.

It's an engrossing and often jubilant story that allows McDonald to share powerful insights on overcoming fear of failure and tackling life-transforming challenges. Early on, he describes a childhood and youth plagued by difficulties in school that eventually convinced him to drop out of university. Yet, despite the academic obstacles, his love of science burned bright. Soon, through an innate stage sense and sheer enthusiasm, he landed a gig doing high-spirited demonstrations for the public at the Ontario Science Centre, which in turn led to self-produced tv spots.

And as each hard-won, never-certain success built on the last, he arrived at the role that would make him a national figure: the witty, engaging, passionately curious host of the perennially popular CBC Radio show *Quirks and Quarks*, reporting from the frontiers of scientific exploration and rubbing elbows with such luminaries as Chris Hadfield, Buzz Aldrin and Stephen Hawking. Told with all of McDonald's trademark pace and humour, *Just Say Yes* is bound to please, surprise and inspire his numerous fans in entirely new ways.

## Death at the Savoy

*A Priscilla Tempest Mystery, Book 1*

RON BASE AND PRUDENCE EMERY

IT'S 1968. LONDON is in full swing and the Savoy Hotel is at the height of its legendary glitz and glamour, welcoming the rich, famous and aristocratic into its rarified world of perfection. Elizabeth Taylor and Richard Burton are squabbling in the American Bar while Noël Coward drinks champagne. Royals wait upstairs in luxurious suites for discreet encounters. In short, all is as it should be at the Savoy.

If only it weren't for the dead body in Room 705.

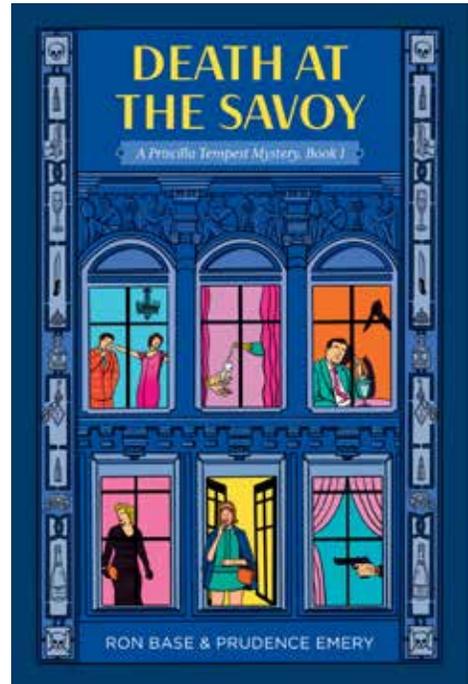

Could it be murder at the Savoy? Impossible! Who could have done such a thing?

Suspicion falls upon Priscilla Tempest, the quick-witted Canadian head of the Savoy press office who has a penchant for champagne, the wrong sort of men—and trouble.

*Death at the Savoy* is an intoxicating blend of mystery, suspense and humour. And it's just the beginning!

## Scandal at the Savoy

*A Priscilla Tempest Mystery, Book 2*

RON BASE AND PRUDENCE EMERY

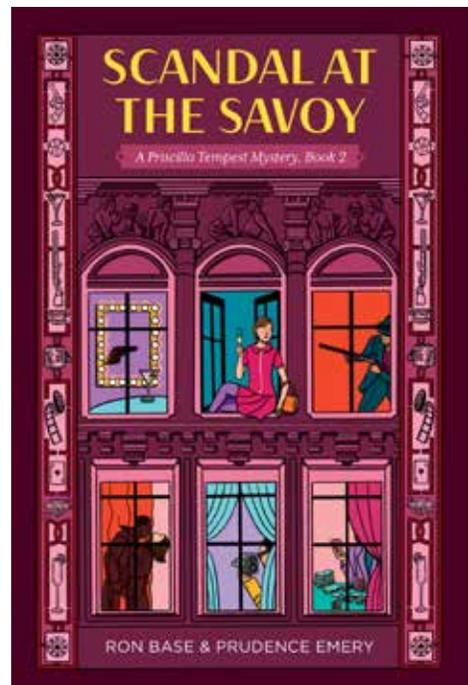

THE LIST OF suspects includes Priscilla Tempest, the trouble-prone Canadian head of the Savoy press office. Clearing her name would be easy enough, if only she hadn't spent the night of the murder with a certain beguiling Canadian prime minister.

Blackmailed by a Scotland Yard detective, wooed by a notorious gangster and hounded by the press, Priscilla must use wit and resourcefulness to survive the treacherous upper echelons of London society and find a killer.

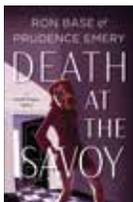

This is the thrilling sequel to *Death at the Savoy*, described by *Publishers Weekly* as "light, frothy...perfect escapist fare."

## Princess of the Savoy

*A Priscilla Tempest Mystery, Book 3*

RON BASE AND PRUDENCE EMERY

EVERYTHING AT LONDON'S Savoy Hotel appears to be the picture of perfection: two Italian princes are checking in and an amorous English lord is taking photographs on the rooftop.

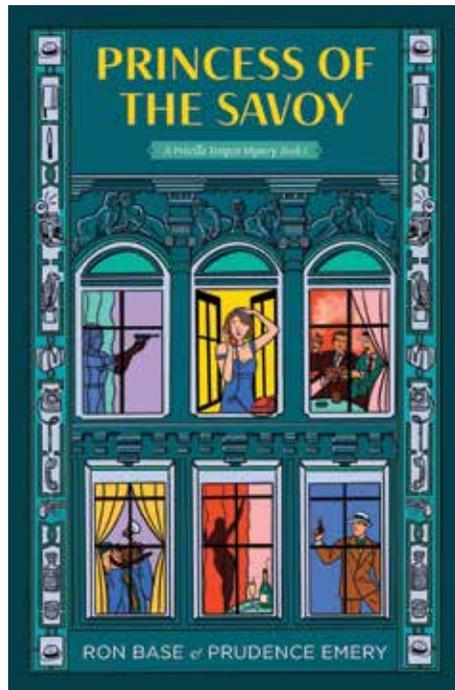

But in the Savoy press office, it's a different picture entirely. There, Miss Priscilla Tempest is scrambling to avoid a boss who would like to be rid of her, a threatening American gangster, and the rather thrilling star of the Tarzan movies.

And it isn't long before a fascist plot, hatched in an English country estate, arrives to truly ruin her day—and threaten British democracy.

In this third instalment in Ron Base and Prudence Emery's beloved series, reluctant Canadian crime-fighter Priscilla Tempest joins forces with her would-be lover—the ink-stained scribe of Fleet Street, Percy Hoskins—on a danger-filled adventure to untangle a deadly web of conspiracy that could get them both killed.

Sassy, suspenseful and always entertaining, *Princess of the Savoy* will delight readers looking to escape into a world of glamour, danger, treachery and a dead body or two—where there is always time for just one more cocktail, even when democracy itself is at stake.

## Curse of the Savoy

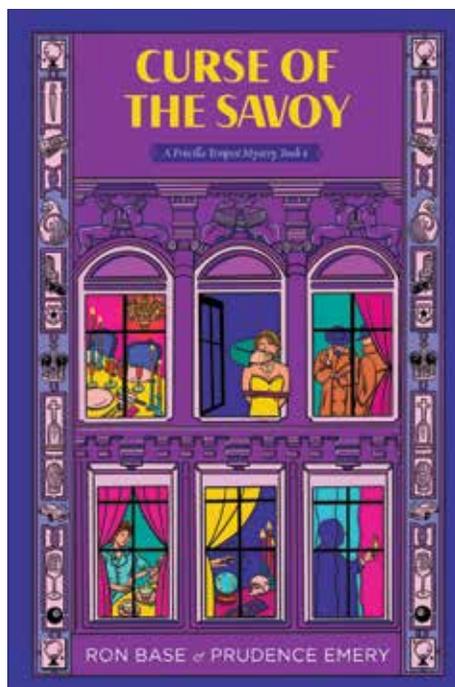

*A Priscilla Tempest Mystery, Book 4*

RON BASE AND PRUDENCE EMERY

IN THE LUXURIOUS setting of London's Savoy Hotel, an opulent dinner party hosted by the legendary filmmaker Orson Welles takes a sinister turn. Amidst the grandeur of the Pinafore Room, fourteen renowned guests, including Alfred Hitchcock, Cary Grant, and the scandalous Miss Christine Keeler, gather for an unforgettable evening. However, the spectre of an old curse looms over the event—a curse said to bring doom to the first guest who leaves a dinner with thirteen attendees. Kasper, a three-foot-tall sculpture of a sleek black cat is said to be the antidote to the curse—if only the reckless attendees had paid heed to the superstition!

In the aftermath of the party, blackmail, betrayal, and murder ensue, entwining the guests in a web of deceit and danger. Once again, Priscilla Tempest, plucky head of the Savoy's press office, finds herself at the heart of the intrigue. The mysterious events even draw the attention of the Queen, hinting at a conspiracy that reaches the highest echelons of society. Is the curse real, or is something more sinister at play? This riveting mystery, as sparkling as a Buck's Fizz, promises celebrity gossip and scandal along with twists and turns that will delight readers until the very last page.

### CLAIMS

Claims for shipping errors, shortages or damages must be made within 30 days of the invoice date, making reference to the invoice number.

### RETURNS

UTP will accept returns for publications provided they are returned in resalable condition, and received not prior to 3 months from the invoice date and before 12 months after the shipping date. Invoice copies or an invoice number must be included for all returns. Books shipped to us erroneously will be returned at the customer's expense.

### SHIPPING

Orders across multiple publishers are consolidated for shipping and invoicing. For detailed information about our titles, retailers should contact their representatives listed on the back page.
