BEST OF FIREFLY'S BACKLIST

CANADIAN EDITION

A note to our customers

Canada has a record number of well-educated people with hobbies, enthusiasms and curiosity.

Our backlist speaks to these millions of people. Our how-to books, from drawing techniques to gardening, star gazing to cooking nutritious food, are in a market of perpetual renewal.

The books will sell in your store if you give them space, and we offer excellent profit margins for you at certain times of the year.

This Firefly backlist catalogue isn't complete, but it does show our best by subject.

Your rep can help you find hidden or forgotten books that may be seasonal, but which we continue to promote, and which can be drivers of more sales for your store.

Our reps are shown on page 29 of this catalogue at the back. They will contact you, but at any time you can reach them and optimize your selection of Firefly's best titles.

Thanks for your consideration.

Best wishes,

Lionel Koffler, President
